Cheers Function Centre

We have had many comments on how fantastic the food and service is in Cheers at the moment.

We would like to thank Terri Ritchie and her North Coast Catering team for their great work.

We are very excited at the prospect of them becoming our permanent caterer....

Member Incentive Draws

Our creative committee has come up with a new way to reward our members for their support....

Each race night, we will choose a race and allocate each horse in that race to a financial member at random.

If you are the member attached to the winning horse for that race, you will win a prize. But you must be present on-course to claim the prize.

To see if you have been selected, purchase the race book and look for the table labelled Member Incentive Draw.

In addition to this new draw, we will also be running the old ones as well: the Sulky Member Draw and the carton of beer in the Thorate Bar after each race night, courtesy of Mick the Veggie Man and DHRC.
